v.  
  
Alfonzo Lobas,  
  
Defendant.

Case No. 2:22-cr-00051-JCM-BNW

**Second Stipulation to Continue Motion  
Deadlines**

The government and Alfonzo Lobas jointly request that this Court reset the deadline to file pretrial motions and notices of defenses under LCR 12-1(b) to September 12, 2022.

The parties enter this stipulation because:

1. On May 12, 2022, the first-continued pretrial motion deadline expired.
2. On June 27, the government produced 26 body camera videos in addition to the 80 body camera videos that were previously produced.
3. On June 30 and July 5, the government produced additional discovery.
4. Defense counsel has requested additional discovery items, some of which remain outstanding.
5. Defense counsel needs additional time to review the discovery provided, conduct investigation, and litigate any necessary pretrial motions before trial.

1           6. Trial is currently set for December 19, so the requested deadline will not  
2 interfere with the trial date.

Case No. 2:22-cr-00051-JCM-BNW

**Order Granting Second Stipulation to  
Continue Motion Deadlines**

Based on the stipulation of counsel, the Court finds that good cause exists to reset the deadline for filing pretrial motions and notices of defenses under LCR 12-1(b) to September 12, 2022. The additional time is to allow defense counsel sufficient time to investigate and litigate any necessary pretrial motions before trial, which is set for December 19, 2022.

IT IS THEREFORE ORDERED that the parties will have until September 12, 2022, to file pretrial motions and notices of defenses under LCR 12-1(b). Responses and replies will be due within 14 and 7 days of service of the motion or response, respectively. LCR 12-1(a)(2)–(3).

DATED: July 14, 2022.
